THE CITY OF GREENSBORO.

HEREWITH we present to our readers a brief sketch of the City of Greensboro, giving a review of its commercial and manufacturing interests. Situated in Guilford County, being the county seat of Government, having the best of railway facilities, hotel accommodations, well laid out and graded streets, beautiful residences and substantial business blocks. Its citizens are well educated, prosperous and energetic. Its growth is swift and substantial, and it now ranks as one of the most prominent cities in the State of North Carolina. No inland city could be better. Situated in the centre of a good agricultural region, and one of the best fruit-growing sections of the United States; best of water and unsurpassed for healthfulness. Its climate is very desirable, having mild winters and pleasant summers. When we call to mind the long, tedious and severe winters of the North and West, and the hot, sweltering sections of the extreme South, Greensboro presents to us a happy solution of a choice. In making the comparison, our pen fails to do justice to the subject. We would advise the citizens to more appreciate this great advantage of climate, and to make greater efforts in advertising the same in the thickly-settled and overflowing sections of the Eastern States, attracting desirable emigration here to develop the agricultural interests of the county, and thereby add greater strength to the steady growth and support of the city.

Guilford County, aside from its mineral products, has great advantage as a farming and fruit-growing section. Its land is rolling, well drained and reasonably fertile, and very easy to improve. Land is cheap, being offered at $3 to $20 per acre. The county is well covered with valuable timber for lumber, fencing and fuel. All kinds of cereals and fruits, especially the lucious peach, can be grown in abundance. Tobacco of the finest quality is also grown in large quantities, and the city is now taking rank with the large tobacco markets of the "Tobacco Belt."

The city has excellent transportation facilities, being on the line of the great Piedmont Air Line of the Richmond and Danville System, connecting with Richmond and Norfolk, and with the Virginia Midland Railroad for Washington and all eastern points, and with the same line for the South and West; with the Goldsboro Branch for Raleigh, Goldsboro and the coast, with the Salem Branch for Salem and Winston, and by the Cape Fear & Yadkin Valley Railroad for Fayetteville and intermediate stations, thus making Greensboro a very important railroad centre. The first-class hotel accommodations attract large numbers of commercial men and travelers to spend the Sabbath and their leisure time in the city. The large, handsome McAdoo House, with its well ventilated rooms, and fine cuisine, under the management of Host Vernon, is one of the great attractions of the

city. The Benbow is also a first-class house. There are good churches, with able ministers of the Gospel, good livery accommodations, fine drives, and well shaded sidewalks. There are eleven newspapers published in the city, two of which are dailies. The city has excellent educational facilities, having a good public school system, several private schools, besides the beautiful Greensboro Female College and Bennet's Seminary for colored students. The Guilford County Court House, with the town clock in the steeple, is situated on the corner of North Elm and Market Streets. It is a large, well arranged building. The new United States Court House and Post Office, costing $75,000, is situated on the opposite corner. An appropriation of $100,000 by the city for general improvements has been voted for almost unanimously. The spirit of enterprise and progress has firmly taken hold of the citizens and business men, and we predict for them abundant reward for their labor. Here is laid a solid foundation, and here will surely be reared upon it a great city.

THE LEADING BUSINESS MEN AND MANUFACTURERS ARE

J. W. Scott & Co., wholesale and retail grocers and wholesale dry goods and notions. This prosperous firm began business here in 1871, as a retail grocery. The business grew rapidly, and soon was added a wholesale department in the same line. Shortly afterwards was added another department of dry goods and notions, at wholesale only. They occupy the large brick building, 50 x 100, three stories front, on the corner of South Elm and Washington Streets, with two brick warehouses in the rear, and a warehouse on Davie Street. They employ traveling salesmen, and sell goods largely to merchants in all the surrounding counties. They also deal largely in dried fruits, shipping the same to the northern and western markets.

Sample S. Brown, wholesale and retail dry goods, dress goods, etc., occupies a double store in the Commercial Block on South Elm Street. The business consists of dry goods, clothing, boots, shoes, hats, caps, carpets, fancy and dress goods of every description. The stock is large and complete in every department. A large number of clerks are employed, and business is always good with Sample S. Brown. Probably no better arranged store or finer stock of goods can be found in the South than is carried by this enterprising merchant.

W. H. Wakefield & Co. are located on South Elm Street, opposite the Commercial Block, where they carry a large stock of hardware, agricultural implements, stoves, heaters, tin ware, fertilizers, etc., and sewing machines. They are also manufacturers of the celebrated Wakefield Cook Stove. This house enjoys a large and substantial trade, and are well deserving of their success.

J. Will Armfield occupies a double store in the Commercial Block with J. W. Scott & Co., where he carries a full line of dry goods, carpets, clothing, boots, shoes, hats and general furnishing goods of all kinds. The genial proprietor, with his able corps of clerks, is always attentive to the business of his well regulated establishment. His trade is large and increasing, and ranks as one of the best in the State.

Levi Houston, harness, wagons and embroidery silk, occupies the upper part of the brick store building of Houston Brothers on South Elm Street, with a branch salesroom in the Field & Causey Building. The first department consists of harness and horse furnishing goods, trunks and valises. The second department, of embroidery silk, is the largest of the kind south of Baltimore. He sells goods in all the Southern States. This large establishment is under the general supervision of Mr. J. H. Harris, a very competent and energetic business man.

Houston Brothers, wholesale and retail grocers, and shippers of country produce, occupy the large brick building on South Elm Street, opposite Benbow Hall. Their place of business is also headquarters for the celebrated *Tar Heel Liniment*, Houston & Emerson, proprietors.

The Odell Hardware Company (incorporated), J. A. Odell, President, and C. H. Ireland, Secretary and Treasurer. This mammoth establishment is located in the brick building south of the McAdoo House. The business consists of wholesale hardware, cutlery, stoves, guns and sporting goods, farm machinery, sash, blinds and doors, paints, oils, etc. They issue a large illustrated catalogue, and employ traveling salesmen, selling goods in all the States of the South.

Hunter & Michaux, druggists and seedsmen, occupy the fine store-room at the north end of the McAdoo House, where they carry a full line of drugs, medicines and seeds of all kinds. They are also jobbers of cigars.

Porter & Tate, druggists and seedsmen, are located near the National Bank, where they have a well regulated store, and carry a full line of goods in their trade.

G. H. Royster, dry goods and furnishing goods, is situated in the Benbow House Block.

The Dike Book Company, book-sellers, stationers, etc., are located in the Benbow House Block, opposite the National Bank.

The Greensboro Book Company, M. E. Howard, prop., book-sellers, stationery, etc., is situated in the Benbow House Block, south of the hotel entrance.

O. W. Carr & Co., Life, Fire and Accident Insurance, are located in the Commercial Block, over the store of S. S. Brown. Mr. Carr represents the best companies, and is prepared to place all kinds of insurance at short notice.

E. C. O'Sullivan, stoves, tin ware, water, steam and gas fitter, and tobacco flue manufacturer, is located on S. Elm Street, south of the Odell Hardware Co.

Harris & Flippen, wholesale and retail hardware, cutlery, stoves, carriage material and sporting goods, are located on S. Elm Street, opposite the Commercial Block.

The Knoxville Furniture Co., A. Kennedy, manager, dealers in all kinds of furniture, in the Wharton Block, on S. Elm Street.

The Banner Warehouse for the sale of leaf tobacco is located on West Market Street, R. D. Williams & Co., proprietors.

The Star Warehouse for the sale of leaf tobacco, is located on Davie Street, W. R. Land, proprietor.

The Farmers' Warehouse for the sale of leaf tobacco, is located on Green and Clay Streets, W. E. Bevill & Co., proprietors.

The principal manufacturers are W. A. Field & Co., plug and twist tobacco; J. L. King & Co., plug and twist tobacco; The Sergeant Mfg. Co., stoves, machinery, castings, saw-mills, &c.; Thomas McMahon, of the North Carolina Coach Material Company, coach material, spokes, handles, &c.; The Greensboro Sash and Blind Factory and Lumber Dealers; T. E. Shober & Co. of the North Carolina Handle Co.; Brooks & Love, saw-mill, rough and dressed lumber; Thomas Woodruffe, saw and planing-mill, and furnisher of carpenters' materials. There are many other establishments and creditable business houses, not mentioned in this sketch, which will be found in our classified Business Directory.

Old Whiskies of Leading Brands at E. G. NEWCOMB'S, Odell Building.

SAMPLE S. BROWN,

GREENSBORO, N. C.

Very few people who live within a hundred miles of Greensboro need to be told that SAMPLE BROWN does the leading DRY GOODS, CLOTHING, NOTION, SHOE and HAT business in this section of North Carolina. It is a generally accepted fact that for NICE GOODS in any of the above lines, at the Lowest Possible Prices,

BROWN'S

Is the right place. We carry a line of

Clothing, Shoes, Hats and Gent's Furnishing Goods

That cannot be excelled in the State, and it is the first article in our creed not to be undersold by Jew or Gentile, black or white, far or near. A simple look at our goods and prices convinces customers that THESE ARE FACTS. No other house in Greensboro even pretends to show such a line of

LADIES' FINE DRESS GOODS AND TRIMMINGS

As we keep in stock all the year round.

We carry nearly as many SHOES AND BOOTS as any other two houses in the City, and claim especially LOW PRICES in this line.

We have lately added a Magnificent Stock of

Carpets, Rugs, Mattings,

OIL CLOTHS, CURTAINS AND CURTAIN GOODS.

Our business is built on the solid foundation of RELIABLE GOODS AT LOW PRICES, and we guarantee every article sold to be as represented or money refunded. Prompt and polite attention extended to all who favor us with a call. Orders from a distance solicited and carefully filled. Respectfully,

SAMPLE S. BROWN.
